This is to certify that the bearer of this paper is insured against secondary third party liability insurance as covered by the insurance of the Nederlandse Luchtvaartpool N.V., policy number 19.118.87. This insurance is valid only, together with a valid membership of the KNVvL, Royal Netherlands Aeronautical Association, department of parachuting.

Further information:

- This insurance is valid within the geographical borders of Europe, including all EU countries and excluding Russia, Ukraine, Belarus, Croatia, Serbia, Montenegro, Bosnia, Macedonia, Moldova and Albania. This insurance is furthermore valid within Canada, the USA, the Caribbean and Australia, provided the bearer has contacted Assurantiehuis Vanderveen BV by means of info@assurantiesite.nl with KNVvL membership number, place and time span of his / her stay.
- Maximum insured amount of this insurance is € 1.500.000 per claim. This insurance also covers the difference between Dutch standard amount insured and German statutory and or obligatory requirements, as applicable.
- All claims are subject to an own-risk, which amounts to € 100 per claim application.

According to FAI statutes & General Section, **no** FAI sporting license is necessary for normal sportparachuting activities. A FAI sporting license is only required for competitions or parachuting records.

Den Haag, January 2008
